

To Whom it May Concern,

In response to LPFM, I would like to register that I am against LPFM taking priority over current FM translator service. I am a listener and supporter of K-LOVE radio. This station has meant so much to me in my daily life. Listening to K-LOVE's message of positive outreach encourages me during stressful times. I can always find peace when listening to K-LOVE. This is a value that is priceless. To lose K-LOVE in the Chicagoland area would be a huge disappointment, a significant loss of moral encouragement. In these times where most of radio is harsh with their lyrics and talk, K-LOVE is always a breath of fresh air for me. I'm sure i speak for many in the Chicago area, who would view the loss of this national service as a negative on society as a whole. The music is so uplifting and encouraging, to lose it the consequences are unthinkable.

Please DO NOT let LPFM take priorty over FM translator service.

Sincerly,  
Randall Nagai
